Dear Chair Price and Ranking Member Diaz-Balart:

I am requesting funding for the Dekalb County, Pleasantdale Road Pedestrian Improvements project in fiscal year 2022.

The entity to receive funding for this project is the Dekalb County Government located at 1300 Commerce Drive Decatur, GA 30030.

This funding request is for the 1.8-mile section of road from I-85 to South Norcross Tucker Road has numerous condo/apartment complexes, MARTA bus stops, a park, and an elementary school. Many students walk to Pleasantdale Elementary school. However, there are currently no safe pedestrian crossings on this corridor. The project will construct a traffic signal at the combined driveway for Pleasantdale Park and Pleasantdale Elementary School. Two other pedestrian crossings will have pedestrian hybrid beacons that will allow for protected crossing of the roadway.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

LUCY MCBATH
Member of Congress
