The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
House of Representatives  
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for an integrated camera system. The Entity to receive funding for this project is the City of Norcross, located at 65 Norcross Lawrenceville Street, Norcross, GA 30071. The funding would be used to replace and upgrade their in-car and body-worn camera systems with a system that integrates with dispatch. The project is an appropriate use of taxpayer funds because Local communities are increasingly expected to provide transparency in their law enforcement activities. Body-worn and in-car camera systems provide valuable evidence that builds public trust, and the City of Norcross has relied on this technology. The continued use of a failing system that cannot provide timely, integrated evidence, and that suffers from downtime or missing evidence when equipment does not function properly, increases the potential for incidents where community expectations of law enforcement may not be met. The project has a federal nexus because the funding provided is for purposes authorized by 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lucy McBath  
Member of Congress
