Dear Chair Kaptur and Ranking Member Simpson:

I am requesting funding for the Chattahoochee River: Ace Sand Riverbank Restoration and Floodplain Protection Project in fiscal year 2022.

The entity to receive funding for this project is the City of Roswell, located at 38 Hill St, Roswell, GA 30075.

This funding request includes a combination of river bank protection; stream bed enhancements; stormwater management; invasive species management; native plant enhancements; children's education through a stormwater educational play area; a fitness trail loop to promote health and wellness in our community; and a building for community gathering, special events and educational opportunities. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
