Chairwoman

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Transit rider Information & Passenger Signage Program project. The entity to receive funding for this project is the Metropolitan Atlanta Transit Authority, 2424 Piedmont Rd NE, Atlanta, GA 30324. The funding would be used to implement new digital signage across the bus and rail system for an improved rider experience. The project is a good use of taxpayer funds because the project aims to increase transit use which promotes the national and global priorities of reductions in carbon emissions. The Scenic Highway Capacity Improvements project represents a thoughtful and strategic use of taxpayer dollars to address critical infrastructure needs, improve safety, stimulate economic growth, and enhance the quality of life in Gwinnett County, benefiting both local residents and the broader regional economy. The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lucy McBath
Member of Congress
