The Honorable Tom Cole
Chairman
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Green Oak Dr. and Fox Forest Water Main Replacement. The entity to receive funding for this project is the Gwinnett County Board of Commissioners. The address is 75 Langley Drive, Lawrenceville, GA 30046. The funding would be used for replacing the existing 6-inch Asbestos Cement Pipe and 2-inch PVC pipe with 8-inch Ductile Iron Pipe. The project will involve replacing a total of 3,044 linear feet of pipe. Upon completion, the new pipe will provide more reliable water service to the community. This project is an appropriate use of taxpayer funds because the proposed project will address reliability. The area has a substantial water main break history with six significant water main breaks occurring since 2008 alone. The frequent breaks in the neighborhood's infrastructure have resulted in water service disruptions to Gwinnett County residents.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lucy McBath
Member of Congress
