The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for the Mableton Public Safety Technology and Real-Time Crime Center Initiative in Fiscal Year 2027. The entity to receive funding for this project is the City of Mableton located at 1400 Veterans Memorial Highway SE, Suite 134-200, Mableton, Georgia, 30126. The funding would be used to establish an integrated network of public safety technology, such as placed camera systems and license plate recognition technology, designed to improve crime prevention, situational awareness, and emergency response. The project is an appropriate use of taxpayer funds because it allows the community to build the kind of modern public safety infrastructure that residents expect.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lucy McBath
Member of Congress
