U.S. House Committee on Appropriations

Dear Chair Price and Ranking Member Diaz-Balart:

I am requesting funding for the MARTA-Brookhaven Station Rehabilitation project in fiscal year 2022.

The entity to receive funding for this project is the Metro Atlanta Rapid Transit Authority located at 2424 Piedmont Rd NE, Atlanta, GA 30324.

This funding request for the Brookhaven Station Rehabilitation is part of the overall State of Good Repair Station Rehabilitation Program that MARTA is undertaking over the next 7 years at all 38 rail stations. With the station having a 'face-lift' of all forward-facing areas to the public, it will provide a fresh look for MARTA and mass transit at all stations. This along with proposed new railcars coming in a few years will provide riders with a more modern riding experience. This may increase ridership throughout the region stimulating economic growth.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

LUCY MCBATH
Member of Congress
