Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for the New Day Palisades Phase Two Project in Fiscal Year 2027. The entity to receive funding for this project is the Cumberland Community Improvement District, located at 1100 Circle 75 Parkway #1000, Atlanta, Georgia, 30339. The funding would be used to continue the much-needed rehabilitation of the popular Paces Mill/Palisades Unit, located along the Chattahoochee River, in Chattahoochee River National Recreation Area, helping preserve this critical natural resource for the Atlanta region. The project is an appropriate use of taxpayer funds because it will allow individuals to connect more with nature and this incredible natural resource, in addition to providing valuable opportunities for residents located in the Cobb and Fulton Counties, and the region.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lucy McBath
Member of Congress
