The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
House of Representatives  
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for Intersection Improvements at Medlock Bridge Road and McGinnis Ferry Road project. The entity to receive funding for this project is the City of Johns Creek, located at 11360 Lakefield Dr. Johns Creek, GA 30097. The funding would be used for intersection improvement that will alleviate operational deficiencies and improve traffic flow. The project is a good use of taxpayer dollars because it is essential for transportation infrastructure to have adequate capacity to serve resident and visitor needs, especially to healthcare institutions, which include not only Emory Johns Creek Hospital, but also hundreds of other medical facilities in the Johns Creek area. The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lucy McBath  
Member of Congress
