The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives

Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for the City of Fairburn Downtown Water System Renewal and Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Fairburn located at 56 SW Malone St, Fairburn, GA, 30213. The funding would be used for replacing water pipes in the downtown area and bring the water distribution lines to current standards, providing better fire protection in the area and increasing water system reliability and resiliency. The project is an appropriate use of taxpayer funds because it will support the City of Fairburn's aging and overburdened water infrastructure and help keep Georgia's residents safe and healthy, while helping the community grow.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lucy McBath
Member of Congress
