The Honorable Tom Cole  
Chairman  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for the City of Fairburn for Water Infrastructure Upgrades project in Fiscal Year 2026. The entity to receive funding for this project is the City of Fairburn, located at 56 Malone Street SW, Fairburn, GA 30213. The funding would be used to connect the City's municipal water supply to an additional source. This additional source will remedy the city's frequently low water pressure levels.

This project is an appropriate use of taxpayer funds as municipalities across metropolitan Atlanta, such as the City of Fairburn, rely on water infrastructure upgrades to meet the needs of its growing residents.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lucy McBath  
Member of Congress
