The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for the Austell-Powder Springs Road Intersection Improvement Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Powder Springs, located at 4426 Marietta St., Powder Springs, GA 30127. The funding would be used to reengineering one of the city's most problematic and heavily trafficked intersections at the skewed and confusing convergence of Austell-Powder Springs Road, Marietta Street, and Powder Springs Road, which is a central gateway into the downtown Powder Springs area.

This project is an appropriate use of taxpayer funds as it directly addresses a hazardous intersection that has long posed safety concerns for drivers, pedestrians, and cyclists.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lucy McBath
Member of Congress
