The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for College Park Lead/Galvanized Water Pipeline Replacement in Fiscal Year 2026. The entity to receive funding for this project is the City of College Park located at 3667 Main St., College Park, GA 30337. The funding would be used for the replacement of lead and galvanized water pipelines. The project is an appropriate use of taxpayer funds to ensure resident families have access to the cleanest drinking water possible while revitalizing aging infrastructure to last for generations to come.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

Lucy McBath
Member of Congress
