The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for the Roosevelt Highway Streetscape Phase II project in Fiscal Year 2026. The entity to receive funding for this project is the City of Union City, located at 5047 Union Street, Union City, GA 30291. The funding would be used to construct a 5-foot sidewalk and 5-foot landscape strip along the south/east side and from Beverly Engram Parkway to Gresham Street on the north/west side. A 10-foot multi-use path will be added from Gresham Street to Dixie Lake Road to support pedestrian and cyclist mobility. The project also includes intersection realignments and the addition of right-turn lanes among other safety enhancements.

This project is an appropriate use of taxpayer funds as it addresses long-standing safety, accessibility, and infrastructure challenges in Roosevelt Highway Streetscape, a high-traffic corridor.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lucy McBath
Member of Congress
