The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives

Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for South Fulton Stormwater Improvement Project in Fiscal Year 2026. The entity to receive funding for this project is the City of South Fulton, located at 5440 Fulton Industrial Blvd, South Fulton, GA 30336. The funding would be used for improvements to the City of South Fulton's stormwater infrastructure across the city to ensure the continued functionality and reliability of the system. The project is an appropriate use of taxpayer funds because project is designed to benefit the entire city by addressing the increasing demand for essential infrastructure and public services, which have been strained by rapid population growth and economic development.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

Lucy McBath
Member of Congress
