Homeless Veterans' Reintegration Program (HVRP), Incarcerated Veterans' Transition Program (IVTP), and the Homeless Women Veterans' and Homeless Veterans' with Children Reintegration Grant Program (HWVHVWC) (referred to collectively as HVRP)

- Closing Date: **March 17, 2027**
- Description: HVRP is an employment-focused, competitive federal grant program intended to enable veterans experiencing or at risk of homelessness to reach their full employment potential and obtain high-quality career outcomes. HVRP is aligned with the priorities set forth by the President's Executive Orders to deliver

comprehensive employment services to eligible veterans to assist these veterans in transitioning from homelessness to stable employment and to connect them with high-paying, skilled job opportunities that will shape the workforce of the future. To help address the number of veterans who are homeless or at risk of becoming homeless, DOL/VETS requires HVRP grant recipients to provide services tailored to each veteran's needs using a case management approach. Grant recipients must help connect veterans to supportive services available in their local communities. In addition, grant recipients must also help veterans successfully return to work by providing job training services that support their needs. This can be done by providing direct help or by creating a strong referral system that includes tools, resources, and partnerships that identify, find, prepare, and support veterans experiencing or at risk of homelessness so they can reach their full employment potential.The HVRP website, the Prospective HVRP Applicant Resources website, and Veterans' Program Letter 02-26 Homeless Veterans' Recognition Program Requirements and Functions policy provide useful information about program requirements.Questions regarding this Funding Opportunity Announcement (FOA) Forecast may be emailed to HVRPFOA@dol.gov; however, please note there is limited information that may be shared with the public, as this FOA is currently under development. We encourage prospective applicants and interested parties to use the Grants.gov subscription option to register for future updates provided for this particular FOA.

Institute of Education Sciences (IES): National Center for Special Education Research (NCSER): Transformative Research in Special Education, Assistance Listing Number (ALN) 84.324T

- Closing Date: **December 11, 2026**
- Description: Through the Transformative Research in Special Education Grants program, IES seeks to support research and development of transformative solutions to seemingly intractable problems and challenges in special education. Transformative projects enact bold and innovative thinking, involve interdisciplinary collaboration, are inherently risky, and use high-quality research approaches to create high-reward, scalable solutions with the potential to lead to dramatic improvements for students with or at risk for disabilities. In FY 2027, the Transformative Research in Special Education Grants program will focus on Phase 1 grants to research and develop transformative solutions to dramatically improve preservice teacher education systems so they can better attract, train, and retain preK-12 general and special education teachers who are prepared to provide high-quality instruction and substantially improve outcomes for students with or at risk for disabilities.
- Eligibility: Institutions that have the ability and capacity to conduct scientifically valid research are eligible to apply. Eligible applicants include, but are not limited to, institutions of higher education and non-profit, for-profit, public, or private organizations and entities.
